><br> I swear I'll never tell that I'm in love with her. She hates me, so

>no-good rotten boy, that's what. Hermione Granger could never like me, at<br>all. I suffer, so much at home. Why must I suffer here too? My whole life is
>a cloak of darkness, a black cloud hanging over my sun.<br>
>I never thought I'd feel this way,<br>But as far as I'm concerend,

>I'm glad I got the chance to say,<br>That I do belive I love you.

><br> I always wanted to be her friend, but every time she looks at me,
>through those beautiful brown eyes, I get scared. What if they find out?<br>What if HE finds out? I love her so, and know one knows. I see her every day
>as I look across the room, so beautiful in every way. The school's holding a<br>dance, and I will dance with her, disguised, hidden. She'll never know.
><br>And then if you can remember,
>Keep smiling, keep shining,<br>Knowing you can always count on me-

>For sure, that's wat friends are for.<br>
>For good times, and bad times,<br>I'll be on your side, forever more,
>That's what friends are for!<br>
>And I'll be her friend, forever more, if in secret, I'll be her friend.<br>

2. Default Chapter Title

><br> I pulled the cloak tight around me, as the romantic music filled the
>great hall. It was the night of the dance, and I, Draco Malfoy, was hiding.<br>I wanted to ask Hermione to dance -hidden under the cloak, of course -with
>me. She was so pretty, so smart, so nice. I just wanted to hold her.<br>
>I'll be your candle on the water,<br>This love inside of me will burn.
>I know your lost, and drifting<br>But the clouds are lifting,

>Knowing you have somewhere else to turn.<br>
> "Excuse me, would you umm... like to errrrrrrrrrr... dance, maybe?" I<br>timidly asked her, tugging nervously at the cloak. The cape was bewitched,
>so the person saw your face, but could never think of just WHO you were.<br>
> "Sure..." She murmured, and we swept across the floor together. "You<br>dance well, ... Um, forgive me for my stupidity, but I can't place your
>face."<br>
> "Mmmmm, call me Child of Fate for tonight." I whispered to her. (an

>it's close to impossible to type with a brace on your wrist!<br>Arrrrrrrrrrrgh!) (Sprained my wrist today, if anybody cares)
><br> "How romantic...." she muttered as we continued sweeping across the
>floor, twirling, whirling, YARGH! For one second, the cloak jerked off my<br>face revealing me, before I threw it back up and ran out of the hall. Run,
>run like there's no tomorrow, which there probobly isn't if Father finds<br>out, I reminded myself. Why? Why must I be a Malfoy? Why?

><br>A cold and friendless tide has found you,
>Don't let the stormy darkness pull you down,<br>I'll paint a ray of hope around you,
>Circling in the air, lighted by a prayer,<br>A prayer! I'll be you candle on the water...
><br>A/N look for 'If We Hold on' part 3, coming soon!

3. Default Chapter Title

~~~
> 'Had she seen him? Did she know? She couldn't possibly,<br>could she?' Draco asked himself, 'Better avoid her anyway, he thought,

>and for the next week he did so.<br>Don't lose your way,
>With each passing day<br>You've come so far,
>Don't throw it away!<br>Live believing,
>Dreams are for weaving,<br>Wonders are waiting to start.

>Live your story,<br>Faith hope and glory,
>Hold to the truth in your heart<br>~~~
> Hermione grew more and more suspicious as time went<br>by. She thought, for one instant, that the mysterious person at the dance

>was Malfoy. She grew more suspicious when he went out of his way to avoid<br>her. The one time he talked to her, he had referred to her as Hermione,
>instead of Granger, Bookworm, Know-it-All, or mudblood. Highly unusual!<br> Once during DADA, she thought she caught him looking

>at her with admiration, and yes love, in those steely gray eyes. Strangest<br>of all, was the fact that she wasn't disgusted by it, in fact, she was
>almost... well, happy. No one had actually had a crush on her before -friend<br>of foe. But a question kept playing in her mind, what happens when THEY
>find out?<br> "What does it matter?" came a voice in her head,

>"You love him, and you know it! Tell him, tell him how it really is. End<br>his suffering already, moron" the voice aggravated her, and she screamed
>at it inside her head. "Oh, shut up! I will already!" and she walked to<br>the great hall.
>If we Hold on together,<br>I know our dreams will never die,

>Dreams see us through to forever<br>Where clouds roll by,
>For you and I.<br>Souls in the wind,
>Must learn how to bend.<br>Seek out a star,
>Hold on to the end<br>Valley Mountain,
>There is a fountain<br>Washes our tears all away,
>Waves are swaying,<br>Someone is praying
>Please let us come home to stay.<br> "Draco? she said quietly, and sat down beside him,
>he jumped up and looked nervously at her. "I -I know you have a crush on<br>me, stop hiding! And I guess I -well I - have a kinda-sorta-crush on you...
>Did I really just say that?" Draco's jaw fell open, and he turned redder<br>then Ron's hair.
> "I-well-I-um... Do you want to-I mean, not that<br>you really LIKE me, but, well, would you like to-ummmmmmmmmmm...-go to
>the astronomy tower-errrrrrrrrrrrr...-Friday night? Maybe? Possibly? Not<br>that you want to, or any thing." He stammered out.

>If we hold on together,<br>I know our dreams will never die,

>Dreams see us through to forever,<br>Where clouds roll by,
>For you and I.<br>When we are out there in the dark,
>We'll dream about the sun.<br>In the dark we'll feel the light

>Warm our hearts everyone!<br>If we hold on together,
>I know our dreams will never die,<br>Dreams see us through to forever,
>Where clouds roll by,<br>For you and I.
>As high as souls can fly<br>The clouds roll by,
>For you and I.<br>
>AN Crummy ending! Raaaaaaaaaaaaaaaaaaaaaaagh!

4. Default Chapter Title

>~~~<br> Harry Potter sighed as he watched Hermione leap and prance around the
>castle. "What's wrong Harry?" Ron asked him,<br>
>"I can see what's happening<br>And she doesn't have a clue

>They'll fall in love and here's the bottom line,<br>Our trio's down to two
><br>The sweet caress of twilight
>There's magic everywhere<br>And with all this romantic atmosphere

>Disaster's in the air"<br>
>~~~<br> Hermione walked out to the balcony on the tower,
>where Draco sat, smiling. He held her hand and they gazed up at the stars<br>
>Can you feel the love tonight?<br>The peace the evening brings,

>The world, for once, in perfect harmony<br>With all it's living things!
> <br> "So, Draco, tell me about yourself" Draco jumped
>at being addressed like this, and shrugged. He'd rather look at the stars.<br>
>So many things to tell her<br>But how to make her see
>The truth about my past,<br>Impossible!
>She'd turn away from me<br>
> Hermione looked at him, you didn't just shrug off<br>a question like that.
><br>He's holding back, he's hiding
>But what, I can't decide<br>Why won't he be the boy I know he is,

>The boy I see inside?<br>
> She sighed and squeezed his hand, and he turned around,<br>gazed into her eyes, and suddenly he kissed her, quick and caring.

><br>Can you feel the love tonight?
>The peace the evening brings<br>The world, for once, in perfect harmony
>With all it's living things!<br>
>Can you feel the love tonight?<br>You needn't look too far

>Stealing through the night's uncertainties<br>Love is where they are!
><br>~~~

><br>And if she falls in love tonight
>It can be assumed<br>Her carefree days with us are history
>In short our pal is doomed<br>
>~~~<br>Epilogue: Hermione and Draco got married at the age of 23, they had
>their first and only child, Daystar Malfoy at 25. Lucious Malfoy forbid<br>Draco to come to the manor again, he was sent to Azkaban for life for practicing
>a particularly horrible curse. Since he had no other heirs, his son, wife,<br>and grandson, inherited the manor. Hermione Malfoy was never quite able
>to re-establish the friendship between Harry Ron and herself after marrying<br>Draco though. If you'd like to hear about Daystar,
